The half hour preceding air time, Gabby Haas and his gang entertained with various musical selections.

Following opening remarks at eight o'clock by George Kidd and Jack Dennistoun, Mayor Hawerlak spoke briefly, outlining the importance of the task at hand, and congratulated the Travellers and CFRN for the fine job they have been doing for the past five years.

W. C. Barrall, representative of the co-ordinating council for crippled children, spoke briefly, praising the Travellers for their work, as did C. S. McNabb, vice-president of the Edmonton Club, A.C.T., and chairman of the Northern Alberta Crippled Children Fund.

During the current season, A.C.T. shows were broadcast from twenty-four districts, all of which

Sandy Lake To Be Opened Officially

MORINVILLE — Sandy Lake Beach will be opened officially on May 25. The lake is situated 17 miles due west of Morinville and 12 miles east of Onoway. The Morinville Lions Club will sponsor a picnic to mark the opening for this season. There will be plenty of entertainment for all. Baseball, softball, swimming, races, bingo and refreshments. This is truly a family day—bring your family, and spend a pleasant day at the beach!

Teachers Hold Institute Day

ST. ALBERT—The teachers of the Sturgeon School Division held an Institute Day at St. Albert on Monday, May 5th. The meetings were held in the Community Hall.

Mr. W. L. Venes, mayor of the town, and Mr. E. Perron, representing the Community League, greeted the teachers with addresses of welcome.

A banquet served and prepared by the ladies of the Altar Society, was held in the Parish hall at noon.

Musical demonstrations by the Primary and Intermediate grades of the St. Albert School were given during the afternoon.

Mr. A. Aldridge gave a very interesting talk on Guidance.

Red Cross Campaign Closes

ST. ALBERT Women's Institute wished to thank contributors and canvassers for their kind support of the Red Cross campaign in St. Albert and district. A total of \$265.31 was sent to Red Cross as the donation from this point.

Weed Control, Water Floods, Concern Of Agricultural Service Board

MORINVILLE — The first 1952 meeting of the Morinville Agricultural Service Board held April 21, dealt principally with problems of weed control and flooding. The matter of weed control on S.W. 1/4 28-57-27-W4 was discussed with J. Edgar, District Supervisor for the Department of Veterans Affairs, and Mr. G. H. Thompson, Farm Operator.

As the Service Board has received little co-operation from Mr. Thompson in the matter of weed control on his farm, Mr. Edgar suggested to Mr. Thompson that he deposit one hundred dollars to the municipality as an assurance of good faith that he intends to control the weed problem on his farm. If and when necessary, the money is to be used to defray the cost of weed destruction by the ASB. In the event that the deposit is not required, same will be repaid on the 1952 municipal taxes. The board accepted this suggestion. Mr. Thompson is to make the one hundred dollar deposit at the municipal office before April 30, 1952.

Nick O'Zipko—Water Problem

Nick O'Zipko of Legal met the board to discuss the possibility of having some action taken to prevent the flooding of a portion of his farm. He showed a map of his farm and showed the direction of the water.

Northern Alberta's Hockey Champs Guests Of Honor At Banquet and Dance.

MORINVILLE — Northern Alberta Juvenile Hockey "B" Champions were guests of honor at a banquet sponsored by the Morinville and district Lions Club on Wednesday evening, May 7 in the Morinville community hall. Approximately 200 people cheered their favorite hockey players who came so close to winning the provincial hockey title, losing in the last game to Drumheller. Coach Hymie Klein, stick boy Jackie Voyer and all the players, with the exception of two were present to receive their coveted awards for their season of excellent hockey, sportsmanship, and the fine entertainment they offered both their own fans and the fans of the opposing teams.

A trophy was offered to each of the boys by Leo LeClerc, Edmonton, director of the Hockey Association, who congratulated the boys individually.

Art Stortart, Morinville mayor, president of the Lions club and manager of the Junies, was also presented with a trophy for his untiring work with the team. He went with them to every game, giving the boys the confidence needed in every major undertaking.

In an address previous to the presentation, Mayor Art Stortart said he was proud of the boys and the show they made throughout the winter. He expressed his appreciation to the Lions Club for making such a hockey club possible. He said the game was one which could teach good citizenship, sportsmanship, and was an excellent character builder.

Mayor Stortart expressed a special thanks to coach Hymie Klein, Joe St. Laurent, Wilfred Labonte, and everyone who had worked so hard and willingly for the club. He drew to his listeners' attention the fact that the Morinville team was not completely made up of Morinville boys but included boys from nearby districts.

Moved by J. M. Fontaine that the ASB refer this matter to the council for reconsideration if they see fit to do so. Seconded by H. E. Mirus. Carried.

Present at the meeting were: John Schaefer, chairman; Stanley Walker, councillor; H. E. Mirus, farmer; J. M. Fontaine, district agriculturalist; H. R. Clark, field supervisor.

G. H. Sterling, supervisor of soil and weeds, department of agriculture and J. Edgar, supervisor for department of Veterans affairs, also attended.

tricts such as St. Albert and Legal. He said Morinville was not desirous of taking all the credit, but wanted the other towns and districts to have their share.

Other speakers of the evening included Alex Reid, Lions Club secretary, who said the club didn't mind, in fact were glad to spend money on such a worthwhile project. The only thanks the Lions wanted were good citizens. John Steward, president-elect of the Lions Club, spoke briefly. He also praised the hockey club.

Gen. St. Germain, who was an extremely capable emcee, introduced the speakers and guests of honor, one of whom was Eldor Thomas of the Edmonton Flyers. He spoke briefly to the boys, offering them words of encouragement.

Mr. St. Germain thanked the ladies who worked so hard to make the banquet a palatable success, and CVO girls, who served the dinner.

For entertainment of the less serious tone, high school students presented a very entertaining comedy act and two "musical" numbers—parodies on two of "Spice Jones" songs, "You Always Hurt the One You Love" and "The Tennessee Waltz." Taking part in the skit were Mariette Trotter, Bobby St. Laurent and Frank Chevalier; and in "Spice Jones Presents" were Betty Ann Biglow, Madeline Meunier, Sandra Reid, Lorette Meunier, Priscille Gibeau and Mariette Trotter.

Following the banquet, presentations, etc., the hockey club were guests of honor at a dance held in the Recreation Centre.

Members of the hockey team are: Maurice Riopel, Hector Germain, Bernard Chalifoux, Alvin Kleser, Marcel Labonte, Bob Patry, captain, Ron Patry, Roger Morissette, Kiki Perault, Art Marchand, Maurice Pelletier, who was absent, Fred Kleser, Ed Loptik, Gilbert Borle, Harvey Majean and Gordon Atkins, who was also absent.

Couple Return From Europe

ST. ALBERT—Mr. and Mrs. J. P. Rouault of St. Albert have just returned from a trip to Europe. They travelled and visited in France, Belgium and Italy. In their opinion, the most scenic place of all was the French Riviera.

Mrs. Rouault is the daughter of Mrs. G. Duigou of Vancouver, a sister of Mrs. G. Lesebore of Edmonton and a sister to Joe and William Duigou of Atmore.

The couple were away most of the winter.

It's Up To Us

The success of the Canadian Cancer Society's fund campaign in northern Alberta is now up to the country. That's the word from crusade headquarters in Edmonton. With campaigns at most country points just getting underway, the fund has reached over \$30,000, almost halfway to the minimum objective of \$68,000.

If district campaigns can do as well as they did a year ago, success is assured. Due to the late start, the cancer society has extended its campaign through to the end of May. Early returns from a few points have been encouraging, but some points are not yet organized. Where no campaign is organized, people interested in fighting cancer are asked to send their donations to Crusade Headquarters, 11328 Jasper Ave., Edmonton.

At least \$68,000 is required to maintain the society's year-round campaign of education and research aimed at stamping out cancer.

Dairymen's Dilemma

Producers of dairy products in Canada are facing quite a problem at the present time. They have lost the British market for cheese due to the lack of dollars in the United Kingdom. They have also lost the United States market for the same product through restrictions imposed by the congress of that nation. They have also lost an outlet in the United States for dairy cows due to the foot and mouth outbreak in Saskatchewan. Last year 52,000 dairy cows and heifers were exported to the United States.

All of these happenings have resulted in the probability of a substantial surplus of butter and whole milk being produced in Canada. Consumers are looking forward to much lower prices. Producers, with high costs and scarcity of competent help, are not so happy about the outcome.

Beef Floor Price

The 25 cent a pound floor price for good steers, basis Toronto, will work out to 22.55 cents at Calgary and Edmonton, according to Rt. Hon. J. G. Gardiner, federal minister of agriculture. The floor is fixed until next July. The floor for the month of July will be announced the first of June. Mr. Gardiner said that the floor will be maintained until the United States embargo on Canadian cattle is removed.

Driving Violators Tested

In one of the nation's metropolitan cities recently, a new approach to the problem of "chronic driving violators" was tried. A city official announced that eleven motorists, who had been chronic violators, had been referred to a university center for psychological tests to determine their "driving personalities."

One of the cases referred was a motorist, who, since 1948 had run up 11 violations including passing a red light, speeding, making a wrong turn and failing to keep to the right. This driver was asked if he would be willing to undergo the emotional test and replied in the affirmative.

A director of the tests say they are comprised of a series of tests administered over an eight-hour period. The examinations are psychological and do not include actual driving, because, according to the director of the tests, "chronic violations are not due to the degree of driving ability but rather to the driving personality."

This is a new and interesting approach to the problem of violators who repeat violations consistently. The tests, if utilized to discover driving deficiencies, need not deprive all those who suffer from such deficiencies of a license. On the other hand, the tests will serve to show up this deficiency and help the driver correct his faults. Such a critical analysis is a badly-needed part of driver-ability tests, which too often allow the unfit behind the wheel of an automobile.

It's all right to work by a schedule, if you can keep up with the schedule.

Farming---Russian Style

Reports from inside Russia indicate there is mounting discontent among Soviet peasants because of the steadily increasing number of collective farm livestock and the steadily decreasing number of individually-owned livestock.

U.S. agricultural experts believe the average collective farm family in Russia owns less than one cow, less than one-fourth of one pig, and less than one sheep or goat. Since this is the average, it is evident that some collective farmers own no livestock at all.

This situation — the trend toward collective farm ownership of livestock — has increased steadily since the Communist collectivization program first began. In 1938, for instance, collective farms owned only 14.8 per cent of the cattle known to exist in Russia. In 1952, the collective farms owned 31.7 per cent of the cattle. Meanwhile, privately-owned cattle, hogs, sheep and goats have declined steadily in number since that date.

Because the farmer is an individualist, he is likely to eventually resent the transfer of ownership from himself to a collective farm of a possession as personal as livestock. If current reports are accurate, this resentment is building up in Russia and Americans can only hope that the Russian peasant — the traditional foe of Communism — will redouble his opposition and never give in completely to the Soviet collectivization plan.

Glass Paper

The president of a company known as Glass Fibers, Inc., announced in San Francisco this week that newsprint would some day be produced from glass instead of wood-pulp and that within a decade newspapers would be printed on glass.

Taking the last phrase literally, think of all the problems that would be solved:

No more stale jokes or cartoons about the husband sticking his nose in his paper at the breakfast table.

But then, neither can you hide from "that pest" behind your paper on the train or bus.

No more can the butcher slip a bad piece of fish in the newspaper wrapping—won't work, you can see through it.

And if, in the next ten years, the Canadian Broadcasting Corporation does happen to get around to bringing Television to Canada, we can look at the TV screen while reading our transparent glass paper!

Co-op Taxation

(From the Westlock Witness)

Co-operative business is getting to be big business in this country. A lot of money, and a tremendous amount of merchandise changes hands under the existing co-operative set-up. Yet, the whole system is being carried on through the not-so-direct support of private business, through unequal taxation levies. Recently, the Alberta Retail Implement Dealers added their voice from convention, to the many protesting the situation.

No one can quarrel with the proposition that it is right for a group of persons to band together, to buy merchandise in quantity to sell among themselves at a lesser final cost than that demanded by private business. If they wish to "share the profit" among themselves, that is well and good. However, it is wrong that private business in competitive enterprise should be taxed to provide government administration that permits and - or encourages co-operative buying and selling, while the co-op is not levied.

Any business, to persevere, must show a profit. Whether that profit is given back to the buyer as a dividend, or whether it is held by one person or one corporation as a return on investment and risk, is immaterial. The profit is there, and if one profit is taxed, all should be taxed.

It is to be hoped that the coming parliamentary session will act on the many appeals submitted on this tax structure.

WANTED . . .

A MODERN CRUSADER

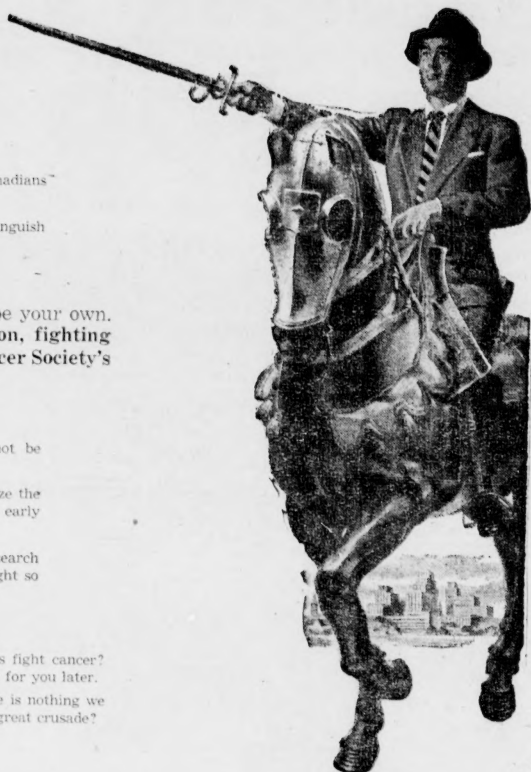

. . . to help fight the strangest,
strongest foe the world has ever
known - - - CANCER!

- Cancer that will kill 2 million living Canadians unless it is controlled.
- Cancer that will cause untold suffering and anguish . . . unless it is checked.

THIS crusader's name? It could easily be your own.
You see, he is any generous person, fighting
cancer by giving freely to the Canadian Cancer Society's
Cancer Crusade.

- He believes the light in the "lab" must not be extinguished.
- He believes his fellows must learn to recognize the symptoms of cancer and the need for early diagnosis.
- He believes more doctors, nurses and research scientists must be trained to carry on the fight so well begun.

WILL you be that kind of crusader? Will you help us fight cancer?
Remember — a victory now may mean protection for you later.
Without your support we may be defeated. With it, there is nothing we
cannot do. Won't you help us by doing all you can in this great crusade?

HELP FIGHT The BATTLE Against CANCER

Weed Control, Water Floods, Concern Of Agricultural Service Board

(Continued from Page 1)

The chairman called the meeting to order at 2:30 p.m.

Adoption of Minutes

Moved by S. Walker that the minutes of the meeting held on December 11, 1951 be adopted as read to the board by the field supervisor. Carried.

Discussion of Minutes

Referring to the tree planting demonstration to take place this spring on the S.W. 15-57-25-W.1, the Service Board decided that Walter Van De Walle be advised to make necessary arrangements with the department of agriculture.

Seed Drill Survey

The seed drill survey is to be carried on again in 1952 as in 1951 by the weed inspectors. Each inspector is to collect 20 samples at random.

Motion re T.B. Testing

Moved by J. M. Fontaine that the health of animals division be advised to take action immediately in the T.B. testing of McDougal's cattle, seconded by J. Schaffers. Carried.

Purebred Sire Area

After considerable discussion the board approved the suggestion of John Schaffers to have the pure bred sire areas petitions completed. Key men to canvass the respective townships are to be contacted as soon as possible.

Report on "Coyote Tethers"

The field supervisor now gave a report on the coyote control policy. Only seven farmers applied for "coyote tethers." Twenty-one coyote guns were issued. Four coyotes have been reported killed by the use of coyote guns. Some farmers neglect sending in monthly reports.

N.W. 4, 25-58-26-W.1 Cultivating and Grazing Lease No. 2715-S.A.

A letter dated April 9, 1952 from the department of lands and forests Edmonton, was read to the board in connection with the above land and lease asking the A.S.D. for an assignment in favor of William Strachan, Pleasantville. Mr. Strachan owes the A.S.D. a balance of \$160.75. The field supervisor was directed to contact Mr. Strachan in this regard.

Califlood Vaccination for Bang's Disease

A letter dated April 17, 1952 from Dr. G. H. Whelan, V.S., Westlock, referring to califlood vaccination was read to the board advising that he would be willing to perform all phases of this work including outfitting, vaccinating and all necessary reports at a set charge of one dollar per vaccination with a minimum charge of two dollars for every farm where vaccination was necessary in the southern part of the municipality. Moved by H. E. Mirus that the A.S.D. accept this offer. Seconded by J. M. Fontaine. Carried.

Next Meeting

Moved by John Schaffers that we hold our next meeting on April 29, 1952 at 8:00 o'clock p.m. at which time the program for 1952 will be drafted. Carried.

Adjournment

Moved by Stanley Walker that we do no adjourn this meeting at 8:00 o'clock p.m. Carried.

St. Albert and District Community Fair

Plans are nearing completion for another Community Fair which will be held in St. Albert in August. Exact date and place will be announced later. The sponsoring organization, the St. Albert Women's Institute, wish to announce that lists of entries will begin in next week's issue of the Gazette. Classes for flowers, vegetables, school work, art, sewing and home cooking and hobbies are to be included.

In a discussion on women's styles on a radio quiz show, an elderly man was one of the contestants. He was asked: "I suppose you are old enough to remember wisp waist?" "Remember 'em," he exclaimed bitterly. "That's when I got stung!"
